

Average Joe's Pub and Grill is proud to be part of our neighborhoods! We know that motivated communities, working together towards a common goal is part of our founding principles, and we want to do our part.

We would like to offer what we call "Dining for Dollars". It is this simple, you create a flier (with our help), send it to your network (and beyond), and anyone that day (that you designated) who comes into any Average Joe's Pub and Grill to eat, and Average Joe's will donate 15% of the daily gross food sales to your charity, group, sports team or whatever you designate as your "cause".
